Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Once again Mr Pritchard seems to think he can apply for planning but just go ahead with work and at any hour of the day he likes. For the past couple of days there has been heavy digging and machinery on the land which has been noisy from very early hours of the morning. He has no respect for his neighbours or safety values working in the dark

Kind regards
