Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	I personally work in the industrial estate but I am no way linked to the proposed application. The estate provides a lot of local trades and provides employment and income to so many local people. I live in Southwater and have done for over 20 years, I have never witnessed excessive noise though the village at any time of day or from the estate throughout the day whilst the businesses are open.

Kind regards
