Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	I object to the proposal of BT Hubs in the Bishopric. In an already busy and cluttered area of town i feel these hubs would distract road users and pedestrians alike,as well as spoiling the look of that part of town. The privacy of passers by phones and devices i feel could be an issue. I am also concerned about potential health hazards from these hubs to the public.

Kind regards
