Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment: - Highway Access and Parking
 - Other
 - Overdevelopment

Comments: This application is an overdevelopment and no mention has been made of public transport improvement. Christs Hospital School is already developing their land to provide sports facilities which will incur more and more traffic. Further housing etc will put pressure on the railway station parking and the increased use of the narrow lanes.

Kind regards
