Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I wholeheartedly object to this proposal. It is an overdevelopment of a rural area which has implications on wildlife as well as the future drainage. The proposal goes against the agreed neighbourhood plan.

Site access is not suitable both from Furners Mead and from The Daisycroft - which is a private road and not suitable for heavy goods vehicles during any construction.

Access is also not suitable for a high volume increase in traffic with new houses.

Overall:

- this is a contradiction in the neighbourhood plan.
 - Access is simply not viable and suitable.
 - It negatively impacts natural areas, and has a further negative implication on already challenging drainage.

Kind regards
