Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	This monstrosity will lead to the loss of a school facility and is an overdevelopment of the village. Where are the children from 180 houses going to go to school? Where are the GPs, dentists and other essential services to support this development? There will be a myriad of construction vehicles thundering through our

village, endangering our children and vulnerable members of the community. Not to mention the environmental impact and loss of habitat for wildlife and loss of established trees/ woodland.
No to any new homes in this village, send the developers up north, plenty of land there to pillage

Kind regards
