Subject: 27 East street, Billingshurst

[redacted] [redacted]

Hello,

I am enquiring regarding the tpo application for 27th East street, Billingshurst. I met Andy Bush on site a few weeks ago to discuss, he mentioned the application would be getting finalized however I have not heard anything as yet. We also discussed the removal of x 2 low branches on the Ash tree I just wanted to make sure that is being included on the permission.

Kind regards,
Drew
