Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	The applicant has not made contact with our Cricket Club, about their intended use of our facility to support the start-up business located at the nearby private residence. We object to this application on the basis that permission has not been sought from the Cricket Club regarding the use of our parking facilities. Our carpark has been designed and built to a low specification, which only accommodates for the provision of seasonal cricket match traffic. As our club grows, the improvement plans also include creating a

secured gated entrance to the carpark area. This will provide another much needed layer of security to our valuable sporting facility. Non permissive traffic such as the applicants, will then park in the surrounding residential areas.

Kind regards
