1 INTRODUCTION

- 1.1 This report is submitted in support of an application for a Certificate of Lawful (Existing) Use and Development. The application seeks to confirm the lawfulness of the use of land for the citing of a shepherd's hut and associated facilities building for use as holiday accommodation. The site has been used for holiday accommodation since June 2015 until the present day.
- 1.2 This report sets out the following:
- The appropriate tests and considerations.
 - The history of the land and use.
 - The evidence submitted to support the application.
- 1.3 The appendices provide all relevant evidence including signed Statutory Declarations.

2 APPLICATION SITE

- 2.1 The site is situated to the north of Merrion Farm, which forms part of a 63.19 hectare agricultural holding located within Bines Green. The site itself covers an area of 0.05 hectares and has been used in connection with the holiday accommodation offering that is the subject of this application and which forms part of the farm diversification undertaken at the farm.

Figure 2.1 – Site Location

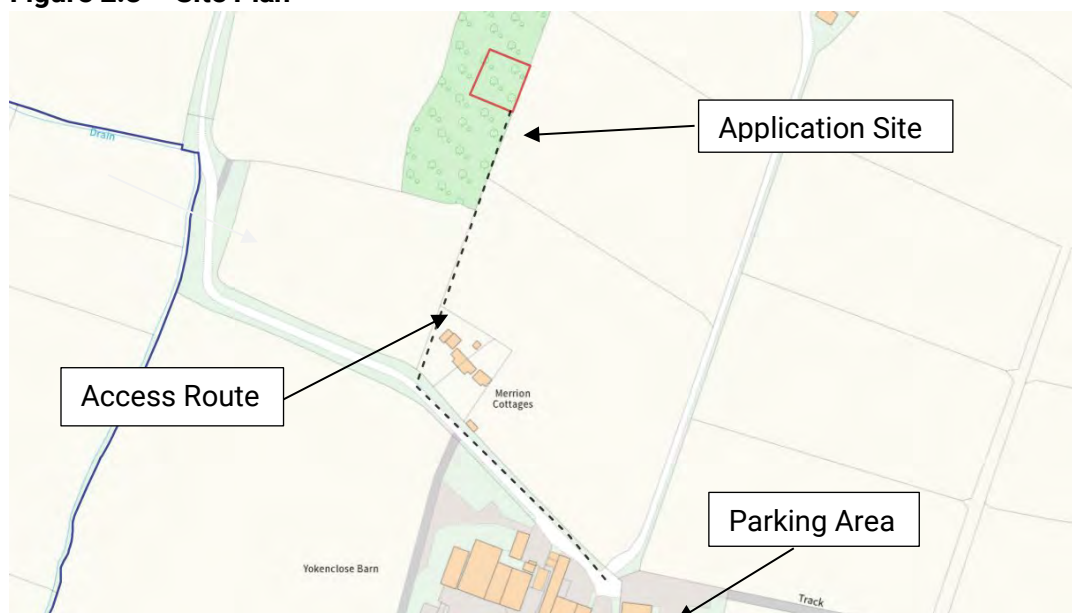

- 2.2 The site forms part of Merrion Farm, a long-established dairy farm. However, the land involved in this application has not been used by the farm due to its disassociation with the central farmstead and its limited size, rendering it impractical for grazing purposes associated with the dairy business.
- 2.3 The site consists of a redundant piece of former agricultural land, currently enclosed by mature hedgerow and trees and covered with grassland.

- 2.4 In April 2015, as part of a diversification effort, the applicant installed a shepherd's hut and facilities building on site for renting out as holiday accommodation in order to bring additional income to the farm.
- 2.5 The site is accessed directly off the B2135 via an existing farm access road that serves a small number of residential properties as well as Merrion Farm. Parking for guests is available within the existing hard standing located within the farm yard. Access to the shepherd's hut is on foot which is a short walk from the parking area with wheelbarrows being available for visitors to transport their equipment.

3 TESTS & CONSIDERATIONS

- 3.1 The National Planning Policy Guidance states that it is the applicant's responsibility to provide sufficient information to support a Certificate application. In the case of applications for an existing use, if a local planning authority has no evidence itself, nor any from others, to contradict or otherwise make the applicant's version of events less than probable, there is no good reason to refuse the application, provided the applicant's evidence alone is sufficiently precise and unambiguous to justify the grant of a certificate on the balance of probability.
- 3.2 The Planning and Compensation Act 1991 introduced rolling time limits within which local planning authorities can take planning enforcement action against breaches of planning control. In respect of the use of the land for the erection of a shepherd's hut and facilities building for holiday accommodation the time limit is 10 years.
- 3.3 Section 191(5) of the Act sets out the information required to be submitted with a Certificate of Lawfulness of existing use or development application, which includes the following:
1. the land to which it relates;
 2. a description of the use, operations or other matters in question;
 3. the reasons for determining the use, operations or other matter to be lawful; and
 4. the date of the application for the certificate.
- 3.4 This information is provided within this report and application documents.

4 HISTORY OF USE

- 4.1 The following evidence is submitted in support of the application which confirms the use of the land for the erection of a shepherd's hut and associated facilities building as holiday accommodation have been in existence for a period in excess of 10 years.

Planning History

- 4.2 The application site has been subject to the following planning applications:

DC/24/0710 - Retrospective application for the erection of a shepherds hut and kitchen/bathroom for holiday accommodation.

Refused on 28th January 2025

Reason for Refusal: Insufficient information has been provided to demonstrate with a sufficient degree of certainty that the proposed development would not contribute to an adverse effect upon the integrity of the internationally designated Arun Valley Special Area of Conservation, Special Protection Area and Ramsar sites by way of increased water abstraction, contrary to Policy 31 of the Horsham District Planning Framework (2015), Paragraph 193 of the National Planning Policy Framework (2021), its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority Habitats & Species).

DC/21/1068 - Small Piece of Woodland known as Furlong Shaw. Situated Approximately 200M North of 1 Merrion Cottages RH13 8EH - A single shepherds hut rented out for holiday use and an associated kitchen and bathroom. (Lawful Development Certificate - Existing).

Split Decision on 7th December 2022

Reason for Split Decision: In respect of operational development comprising erection of a kitchen/bathroom structure a Certificate of Lawfulness is granted for the following reason:- 1 It has been demonstrated to the satisfaction of the Local Planning Authority, on the balance of probabilities, that the operational development comprising of the erection of a structure to contain a kitchen and bathroom was substantially completed and has since continually remained on the

site for a period in excess of time-limits for enforcement action set at S.171B(1) of the Town and Country Planning Act 1990.

In respect of the use of land as holiday accommodation a Certificate of Lawfulness is refused for the following reason:- 1 It has not been demonstrated to the satisfaction of the Local Planning Authority, on a balance of probabilities, that the use of land for use as holiday accommodation has taken place for a period in excess of time-limits for enforcement action set at S.171B(3) of the Town and Country Planning Act 1990, such as to render the use of land lawful by reason of S.191(2)(a) of the Town and Country Planning Act 1990.

APP/Z3825/X/23/3323907 – Against Refusal of DC/21/068

Reason for Dismissal: The appellant states they sited the shepherd's hut and kitchen/bathroom building at the site 'since' June 2015 and have had many guests who come year after year, or multiple times a year. However, this is less than 10 years prior to the submission of the LDC application and so the material change of use of the land from agriculture to a residential holiday use would not have been immune from enforcement action at the date of the LDC application.

4.3 The split decision issued in relation to planning application DC/21/1068 identified a lack of sufficient evidence to demonstrate the continuous use of the shepherd's hut and associated facilities building for holiday accommodation purposes. Notwithstanding this, the decision acknowledged that the facilities building has been in place for a period exceeding the statutory time limits for enforcement action, rendering its presence lawful.

4.4 This Certificate of Lawfulness application is therefore submitted to address the outstanding matters by providing clear and robust evidence to demonstrate the continuous use of both the shepherd's hut and the facilities building for holiday accommodation for the required period.

Google Earth

4.5 Google Earth imagery provided below demonstrates the presence of the Shepherd's Hut and associated Facilities Building on site from September 2015 onwards. While imagery is unavailable for the period between April and September 2015, additional supporting evidence, including booking records and relevant planning history, confirms that both structures were in place during this period, prior to the earliest available Google Earth record.

Photo Evidence

4.6 Shown in Figure 4.2 is a photo provided by the applicant dated 26th April 2015 and depicts the shepherds hut being installed on site.

Holidays Bookings

- 4.7 The applicant self-managed the rental of the shepherd's hut between June 2015 and August 2015 before using an online company Canopy and Stars to assist and advertise the use of the buildings for holiday rental, a copy of an email confirming this is attached within Appendix B.
- 4.8 Since 2002 the booking of the shepherd's hut was brought back in house and can be booked directly online, a copy of the booking link can be found below:
- <https://www.merrionfarm.co.uk/withywood-shepherds-hut>
- 4.9 The applicant is able to provide a bookings list that confirms bookings between January 2016 to the present day a copy of which can be found in Appendix C.
- 4.10 A visitor book is also available for guests to sign during their stage, a copy of a visitor books is available at Appendix D.

Statutory Declaration

- 4.11 The applicant has submitted several statutory declarations confirming the use of the land for the siting of a shepherd's hut and associated facilities building since June 2015, as holiday accommodation. Copies of these declarations are provided in Appendix E.

5 SUMMARY

- 5.1 The application seeks to confirm the lawful use of the land for the stationing of a shepherd's hut and associated facilities building for use as holiday accommodation.
- 5.2 The site forms part of a larger agricultural holding and has been used for holiday accommodation continuously since June 2015 as part of a farm diversification initiative. The land is considered impractical for agricultural use and has been utilised to generate additional farm income.
- 5.3 The application addresses relevant legal tests under the Planning and Compensation Act 1991 and provides comprehensive supporting evidence, including Statutory Declarations, Photographic Evidence, Google Earth imagery as well as booking records.
- 5.4 The application follows previous planning history, including:
- A retrospective application (DC/24/0710) refused on environmental grounds unrelated to use duration.
 - A split decision (DC/21/1068) granting a Certificate of Lawfulness for the facilities building but not the holiday use due to insufficient evidence at the time.
 - An appeal (APP/Z3825/X/23/3323907) dismissed due to the continuous use not yet exceeding 10 years at the time of the application.
- 5.5 This application now provides robust, precise, and unambiguous evidence demonstrating that both the shepherd's hut and facilities building have been in continuous use for holiday accommodation for over 10 years.
- 5.6 The Planning and Compensation Act 1991 states that planning enforcement action against breaches of planning control must be taken within 10 years in respect of development not related to buildings, and 4 years in respect of buildings. As both the presence and use of the land and associated buildings have been in existence for a period well in excess of 10 years it is now immune from enforcement. A Certificate of Lawful Development is therefore sought to establish that the use and buildings are now lawful.

I'm [REDACTED] and I'm working on getting your new hut live on the Canopy & Stars website – the listing is coming along nicely!

I have created a new calendar for you which you should now be able to access in your owners area (just use the drop down menu to switch between the two spaces).

It would be great if you could let me know once you've updated the calendar for Withyfield Shepherd's Hut so that we can move onto the next stage.

Many thanks for a wonderful stay in your beautiful hut. But for the two children (who incidentally want to live here!) it has been an incredibly relaxing idyllic break! We'll certainly recommend it to friends.

Keir and Adam

P.S. Keir loved feeding the ~~sheep~~ calves + wants to be a farmer!
