Reasons for comment:	- Privacy Light and Noise
Comments:	While I support the redevelopment of the Grammar School, I am concerned about the likely noise and light pollution from the proposed all weather sports pitch to be located at the south of the site by Blocks 10 and 15. This will have a considerable impact on the properties in Coxham Lane due to noise and light pollution and add to that from the Steyning Football Club.

I am all in favour of including improved sports facilities, but given the large scale of the grammar school site, why not locate the new pitch to the north of Block 13 where there is plenty of space and where the impact of noise and light pollution would be minimal.

Kind regards
