Customer Details

Address:	28 WOODLAND WAY HORSHAM

Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	I support this application as I see previous applications on the site have been declined due to loss of employment space and water neutrality. This thoughtful approach has addressed both of these issues and with that in mind I can only support such a project which provides more residential accommodation, maintains employment space and has done so without eating into the surrounding green areas of Horsham.

Kind regards
