**TOWN & COUNTRY PLANNING ACT 1990: S192 (as amended by S10 of THE PLANNING AND COMPENSATION ACT 1991)**

**TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015**

**CERTIFICATE OF LAWFUL DEVELOPMENT OR USE (PROPOSED)**

**Application No: DC/25/0948**

Horsham District Council hereby certifies that on 06/06/2025, the development described in the First Schedule to this certificate in respect of the land specified in the Second Schedule to this certificate and edged in red on the plan attached to this certificate was lawful within s192 of the Town and Country Planning Act 1990 (as amended) for the following reason:

1 The mobile poultry units would not represent a 'building operation', where the moveable structures would be used in association with the agricultural use of the land. The proposal would not therefore represent development under s55 of the Town and Country Planning Act 1990.

**FIRST SCHEDULE**

Siting of mobile poultry structures (Lawful Development Certificate - Proposed).

**SECOND SCHEDULE**

Wagtails Farm, Okehurst Road, The Haven, Billinghurst

**Additional notes**

1. This certificate is issued solely for the purpose of Section 192 of the Town and Country Planning Act 1990 (as amended).

2. It certifies that the use or works specified in the First Schedule taking place on the land described in the Second Schedule was lawful, on the specified date and, thus, would not have been liable for enforcement action under Part 7 of the 1990 Act on that date.

3. This certificate applies only to the extent of the proposal described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use/operations/matter which is materially different from that described or which relates to other land may render the owner or occupier liable for enforcement action.

4. The effect of the certificate is also qualified by the proviso in Section 192 (4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
