Proposal: Application for Approval of Details Reserved by Conditions 3 (Construction Details), 4 (Underground Services) and 5 (SuDS) to approved application DC/22/2257.

Date of Site Visit:

Recommendation: Advice

Related to Condition 3 – Construction Management Plan

A plan has been provided as to how the site will be managed during construction. All parking and storage of materials will occur on site and a banksman will be available to manage deliveries. Turning for large vehicles is available on site and vehicles will be inspected on exit to ensure local roads are kept clean of debris.

No objection to the discharge of Condition 3.

Debbie Farrell
West Sussex County Council – Planning Services (Highways)
