Comments:

Building more houses will mean more people. But none of these plans include sports facilities and when they do its for football!!!! I run Horsham Hawks Basketball Club and am Chair of Sussex Basketball association and BASKETBALL is crying out for their own facilities across the country! I'm turning away 100s of players a year due to lack of facilities. I will only support this if a sports hall with the primary use of basketball is considered - otherwise more people with nothing to do!

Kind regards
