Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:
- Other
- Overdevelopment

Comments:

How about concentrating on the infrastructure around medical help and treatment, you can't get a doctors appointment for weeks, if you need a hospital, you have to travel miles, so adding another 1000 homes, say 3 people per household, 3000 extra people needing doctors and hospital, absolutely pathetic, and not sustainable.

Kind regards
