Good morning Halima,

Please see the photographs below that I took when visiting the property. I will also ask the client to take a few photos of the neighbours and send these over shortly.

Photo showing the new entrance to the driveway and garage. The large trees will be retained but the shrubs and part of the fence will be removed. The neighbours gate is on the right.

Photo showing the opposite side taken from the garden. This will be the location of the proposed detached garage.

Existing south elevation – there appears to be an extension at the rear with a very shallow pitch.

Existing east elevation – this shows the rear dormer.

Existing east elevation – this shows the rear of the garage.

Existing east elevation – this shows the shallow pitched roof from the rear.

Existing north east elevation

The existing driveway towards Spinney Lane – this photo shows the garage that has been built opposite the property. The new garage will have the same appearance as this garage.

Kind regards

Carl
