Customer Details

Address: 15 Sycamore Avenue Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Access to this development is from the Crawley Road which already is heavily congested during peak times. Drivers accessing from the Old Crawley Road, Earles Meadow, Lambs Farm Road and as far back as Church Road are already struggling to turn onto the Crawley Road. Another 120 houses with potential for 240 plus cars is going to make a bad situation even worse. That's not to mention the impact on the wild life and scenery The other very worrying factor is that if they were to get

permission to build these homes, does that set a precedent for going the next step and seeking permission to build the homes they originally intended to build?
I very strongly object to this development!

Kind regards
