Reasons for comment:	
Comments:	Our children & ourselves need greenbelt land to thrive, for nature to continue, the wild animals, wild flowers, for our mental health. So much land goes to housing all around us. This is not essential, the countryside is essential for so many reasons, for harvesting for the farm to provide food, we need our working farms more than housing. I don't know how else to say it but please, please do not allow housing on this site.

Thank you in so many ways
Suzanne

Kind regards
