Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I walk and run in this area on a twice daily basis, at a minimum, for my health and mental wellbeing. It truly is an area of Outstanding National Beauty, and we get to see and share this area with countless of our wildlife friends, from rabbits to Deer to

Foxes and Geese (who always stop here in an annual basis). If this went ahead, I feel it certainly and permanently damage the wildlife and ecosystem with the inevitable pollution of light, noise and emissions.

We regularly see track congestion and accidents on the Moorehead roundabout, and this would definitely increase if this planning application was to be approved.

The local infrastructure is not suited to this continuous building and development, and can barely handle the current volume, let alone the already approved applications.

Kind regards
