Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	We already have problems exiting Earles Meadow estate due to the high level of traffic which would be exacerbated if the proposed development went ahead. Also, the Wildlife are already being pushed out of their homes and dying on roads following the development of the Mowbray estate.

Why can't existing derelict buildings be transformed into
apartments and houses instead of destroying our green areas.

Kind regards
