Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I grew up in this area, and spent approx 30 years walking this field which has had and continues to have a hugely positive impact on my mental health and wellbeing. I often enjoy this area by going on walks. This area is rightly an AONB, and not suitable for development, taking into consideration the huge number of houses being built

just a couple of miles from this area. The congestion in this area will be unsuitable and unstable for the area. Development in this area will set a precedent to continue development in this AONB.

Please do not grant this application!

Kind regards
