Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Horsham Town Council Planning Committee considered the application and resolved to make no objection. The Town Council acknowledges that the changes are regrettable but that historically the design was permitted. The application represents a moderate improvement on the existing design, however it was noted that it will present a likely negative impact on the neighbouring property.

Kind regards
