Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	Although I am very keen to support not felling trees unnecessarily. On this occasion I agree with the planning application to fell the ash tree. I am concerned that the tree which has grown substantially and is in close proximity to my house may cause damage to my property. In recent years the number of branches which have broken off and landed in my garden has increased substantially in both in number and size. The trunk of the tree as seen from my side does have a split. In the past I have spoken to a landscape gardener and he thought there was some evidence of ash dieback which again causes me concern given the closeness to my property.

Kind regards
