Categories: Consultations

Dear Halima,

The property is a converted historic agricultural building having formed part of Needs Farm. I am content the proposed extensions and alterations will not dilute the ability to understand and appreciate the relationship between The Byre and the principal building, Needs Farmhouse or harm its special interest. I am content the proposals will not harm the setting of the neighbouring listed building. I have suggested conditions below to reinforce the character of the historic farm complex.

Regards,
Seán

LB03 Windows

Regulatory Condition: The new windows fitted in the building hereby permitted shall have casements flush fitted with their frames if manufactured in timber or plastic.

Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

LB05 Rainwater Goods
