Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Trees and Landscaping
Comments:	I object to this development as that area is a lovely area to walk, and I worry that once this field is developed, then the next and the next will be developed. This is a whole area is a very welcome green space really near the town, and easily walkable. Building on a green field site like this, so close town is wrong.

Kind regards
