Dear Sir/Madam,

Installation of 1 x 9m wooden pole (fixed line broadband apparatus).

Outside 13 East Street Billingshurst West Sussex

I refer to your notification received in this office on 17th September 2026 concerning the above site.

I write to inform you that this Authority has no comments to make on the above proposal, and that there are no Article 4 Directions in this location of relevance to the proposed installation.

It is though noted that the pavement in this location is of limited width and as such efforts should be made to ensure the siting of the wooden pole takes into account the need to allow for continued access along this section of the footpath.

I trust this information is of assistance to you. Should you however require any further information or clarification please do not hesitate to contact the Case Officer as detailed above.

Yours faithfully

Emma Parkes
Head of Development and Building Control
