Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	I strongly object to the overdevelopment of our small, beautiful village. The resulting increase in traffic and noise greatly concerns me. We do not need further housing on this site. While I appreciate that the mushroom farm in its present state is not ideal, other

options need to be considered for the benefit of the Thakeham community.

Kind regards
