Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This development is not needed and does not support the local plan. We have suffered considerable development in the last 6 years or so. We do not have the amenities or the safe roads to support this amount of new housing. We already have drainage

issues and our once small village is over populated. We strongly object to this new proposal.

Kind regards
