| Reasons for comment: | - Design |
| Comments: | Hi,<br>I am a close neighbour to this Application site and I welcome the conversion of this little building. Since the building is now disused, it would be better to see the owners get a good use of it and at the same time offer a handy accommodation.<br>The building being recessed from the main road is hardly visible and I am sure the owner will be landscaping around it following the demolition of the existing stables. |

Kind regards
