Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	The Infrastructure in the village of Barns Green has not got the capacity to accommodate 68 new dwellings. There will also be an increased risk of flooding which the village shop already has

trouble with flooding, this will cause further issues for them. This also adds to the demand on services such as water, drainage, sewage, electricity and gas.

Kind regards
