Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I am writing on behalf of the Horsham Society to object to this application on the grounds that there is no parking provision. In our view there can be no such thing as a "car free" development in the town centre. Whatever the developer may suggest there will be a future demand for parking arising from this development for residents, visitors and tradespeople. The parking situation in this area is already acute and this would simply exacerbate the problem.

Secretary, Planning Sub Committee
