Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	I object to the planning application for 120 houses at Newhouse Farm, Old Crawley Road, Faygate, Horsham. My objections are:- Extra housing will add to the traffic congestion especially at the nearby Moorhead Roundabout.

This development would cause significant harm to the landscape and scenic beauty of the High Weald National Landscape. The proposed site is enjoyed by local residents and needed for exercise and recreation. Wildlife will be affected by loss of habitat and pollution from cars and the extra noise and light.

The area is lacking a major hospital and GP surgeries, schools and emergency services.

Water is already in short supply in the area and with climate change and this summers heatwaves it would put more pressure on water supplies and sewage disposal.

Kind regards
