Comments:	I am writing as a local resident to formally OBJECT to Planning Application DC/26/0782. I fully endorse the objection report submitted by [REDACTED] Longhouse, Handford Way, and ask that the report and the matters raised within it are taken into account as part of the Council's consideration of this application. I also endorse the statement made by Lower Beeding Parish Council that the application is not valid, that it should have been withdrawn, and that Horsham District Council should not have allowed the application to remain validated for the various reasons that have been notified to the Council. In light of these concerns, I request that Horsham District Council reviews the validity and

procedural status of the application before any determination is made. Should the Council continue to consider the application, I ask that it is refused, taking full account of the objections and representations already submitted.
Please record this letter as my formal objection to the application and keep me informed of any material updates or decisions relating to it.

Kind regards
