Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	I understand that this planning application is to turn a terraced house into a house of multiple occupation for around 6 people. The extra vehicles from the occupants of this property will exacerbate parking issues in Bedford Road. It is already used for parking for properties in both New Street and the Brighton Road. Such terraced properties should be retained for family occupation.

Kind regards
