Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	The road out of Barns Green to the nearest petrol station, supermarket, secondary school and doctors surgery, Valewood Lane, is partly single track with high banks and no verges. Visibility is bad because there is a blind right-angle bend in it. The school bus also goes along it. Passing is impossible and drivers frequently have to back into small private gateways. This lane also

serves the 70 dwellings in Brooks Green.
It is wholly unreasonable to allow any more dwellings in Barns
Green.

Kind regards
