Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	Just 4 days ago we saw a family of deer running accross the dield, yesterday we saw bats . Also the road entrance / junction would add extra traffic and pollution at the small round about on B218/ A264 junction. What costs have been calculated for infostructure per household for GP, Schools, hospital , Emergency services, water and roads.

Kind regards
