Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	I have no objection to this pergola being erected. Little bean have taken a very tumbledown, rough area behind 35a and made it somewhere picturesque for a relaxing coffee and also have spent a lot of thought around making a green space in the centre of the village - essential for wildlife. There has been no damage to the conservation area or the listed buildings - it looks so much nicer now.

Kind regards
