Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I do not believe that the roads will support a development of this size. We only have one road going through Thakeham currently. And although i do believe the Mushroom farm should be demolished and something else built there, i think 150 houses is too much. I do think that the village would benefit from a shop and if some green space could be retained that would be beneficial to everyone and the local wildlife.

Kind regards
