Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	There is already a lot of pressure on the Moorhead roundabout several times a day ... I often have to queue on the Crawley Road just to get into Earles Meadow... sometimes the queue is right back to the lights on Roffey Corner and that's before the new Mowbray estate is populated. At the other end of the Old Crawley Road the access onto the 70 mph A264 is already dangerous so an increase in traffic here is going to make it worse. Add to this the obvious increased pressure on schools and doctors... there has to be a limit!

Kind regards
