Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Trees and Landscaping
Comments:	I live close to the proposed development and regularly walk on the public footpaths in the area, if this development goes ahead (despite repeated objections by residents) not only will we lose a beautiful part of the countryside forever, but the traffic congestion will be unbearable, this area is already heavily congested at peak times, and adding any more traffic (let alone the likely increase in

residents of this were to go ahead) would effectively gridlock the immediate area.

Kind regards
