TO THE PLANNING DEPARTMENT

As a resident of Farles Meadow, I strongly object to the proposed planning for 120 houses to be built at Newhouse Farm, Old Crawley Road, Faggate, Horsham as the extra traffic coming onto the Moorhead roundabout is becoming dangerous. To cross the traffic coming out of Farles Meadow to go into town is already very dangerous and an accident waiting to happen!! Whoever thought it was a good idea to have a 40mph sign not far from the blind corner as you approach the turning into Farles Meadow, as you approach the roundabout has made a very bad mistake as it should have left as a 30mph zone (with a camera) as some cars and lorries are exceeding the 40mph limit making it a dangerous exit.

With the extra traffic coming out of Old Crawley Road junction will only make matters worse. Also the lack of doctor's surgeries and other amenities will put more strain on the infrastructure causing more problems!!
