Steyning

West Sussex

BN44 3YB

For the attention of Steve Astles

Springwells House. Listed building application. Reference DC/26/1425.

Dear Mr Astles

In respect of the above listed building application; subsequent opening up works and on site inspections with your senior conservation officer, Sean Rix, I enclose revised design proposals to meet conservation requirements whilst also addressing accessibility issues.

Amended documentation includes:

Planning & heritage statement revision A.

Proposed drawings Sk 10, 11 and 12.

Existing building drawings Sk 01, 02 and 03 remain as before and photographs of the opening up works have already been submitted to Sean.

I trust these proposals are acceptable; however should there be any further planning/conservation issues, I would be pleased to discuss these with either yourself or Sean.

Kind regards.

Yours sincerely

David Collins.

Cc Sean Rix. Senior conservation officer

Elizabeth Armstrong
