Thank you for requesting advice on this discharge of condition from Place Services' ecological advice service. This service provides advice to planning officers to inform Horsham District Council planning decisions with regard to potential ecological impacts from development. Any additional information, queries or comments on this advice that the applicant or other interested parties may have, must be directed to the Planning Officer who will seek further advice from us where appropriate and necessary.

Dear Shazia

Application: **DISC/24/0222**
Location: **Ebbsworth Cottage The Street Nutbourne West Sussex RH20 2HE**
Proposal: **Application for Approval of Details Reserved by Condition 4 and 5 to approved application DC/21/2802**

Thank you for re-consulting Place Services on the above discharge of condition application. We can only comment on conditions relating to ecology.

a) No ecological harm/No objection		
b) Requires further information		
c) Recommend grant permission subject to conditions		
d) Recommend refusal		
e) Discharge of Condition 4		Yes

Condition 4: Recommend discharge
Pre-commencement Condition: Prior to any further works being undertaken on the site, a Great Crested newt Method Statement shall be submitted to and approved in writing by the local planning authority. This will contain precautionary mitigation measures and/or works to avoid potential impacts to Great Crested

Newt during demolition and construction phases. The measures and/works shall be carried out strictly in accordance with the approved details and shall be retained in that manner thereafter.

Reason: To conserve protected and Priority species and allow the Local Planning Authority to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s40 of the NERC Act 2006 (Priority habitats & species).

Comments
We have reviewed the Great Crested Newt Precautionary Working Method Statement (South Downs Ecology, October 2024) and Great Crested Newt Precautionary Working Method Statement (submitted September 2024) which have been submitted in order to discharge Condition 4.

We are satisfied that the submitted information includes the detail required by this condition.

Recommendations
Subject to implementation in full of the submitted details, we recommend discharge of Condition 4.

Please contact us with any queries.

Yours sincerely
