Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Privacy Light and Noise
Comments:	The noise from this outlet is bad enough in the summer. When we have our widows open we can hear the lorry unload and the metal tail plate keep hitting the hard surface. Also longer hours will attract more anti social behaviour in the evenings. As your staff are already fully aware of the situation of young people causing

issues on the shop and outside. This will go on longer as the shop will attract this when open longer. Lorries leaving the delivery area and going down the service road will cause more noise. The service road already has restrictions on it to avoid residence disturbances.

Kind regards
