Woodhouse Farm Wheatsheaf Road Woodmancote West Sussex
Erection of an agricultural storage barn.

Your application DC/25/0375 has now been determined and I enclose the decision notice. The decision notice contains important information. Please take a moment to read it as further action may be required.

Conditions
Before you start work, information must be submitted for any conditions that require discharge before development can begin. The decision notice will set out what information need to be sent.

Biodiversity Net Gain Condition
Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Failure to discharge conditions before commencing development could result in the development being unlawful or enforcement action being taken. You can notify us of your intention to initiate development by completing a pre-commencement notification which will help us to monitor your development. There is no fee to use this service. To do this, or for further information about discharging planning conditions, visit us online at horsham.gov.uk/planning/discharging-a-planning-condition

Community Infrastructure Levy (CIL)
If this development is CIL liable, the requirements of CIL must be met before you start work. Failure to do so could result in additional financial penalties. For further information relating to CIL visit horsham.gov.uk/planning/planning-policy/community-infrastructure-levy/cil-charges-and-how-to-pay

If you have any questions about the decision notice, you can call us and speak to a member of the team on 01403 215187 between 9AM - 5PM, Monday to Friday.

If you are acting as the planning agent for this application, please ensure that the applicant is given a copy of the decision notice and this letter.

Yours Sincerely,
Development Management

Horsham District Council

Application Number: DC/25/0375

TOWN AND COUNTRY PLANNING ACT, 1990 (as amended)
TOWN AND COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Colin Broucke

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby notify you that they PERMIT the following development, that is to say:

Erection of an agricultural storage barn.

Woodhouse Farm Wheatsheaf Road Woodmancote West Sussex

to be carried out in accordance with Application No. DC/25/0375 submitted to the Council on 12/03/2025 and subject to compliance with the plans/documents and conditions specified hereunder.

Emma Parkes
Head of Development and Building Control

Date: 27/06/2025

1 **Plans Condition**: The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

SCHEDULE OF PLANS/DOCUMENTS

Plan Type	Description	Drawing Number	Received Date
Supporting Docs	BNG Assessment	NONE	12.03.2025
Location plan		NONE	19.06.2025
Elevation & Floor plan	Proposed	PRR 1	12.03.2025
Block plan		NONE	12.03.2025
Supporting Statement	Planning	NONE	12.03.2025
Supporting Docs	Application Form	NONE	12.03.2025

Reason: For the avoidance of doubt and in the interest of proper planning.

2 **Standard Time Condition**: The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

3 **Pre-Commencement Condition**: No development shall commence until a Non-Licensed Precautionary Method Statement for Great Crested Newts has been submitted to and approved in writing by the Local Planning Authority. This shall include, but not be limited to, a presence/absence survey and assessment, mitigation measures, and enhancement measures where necessary. The works shall be implemented in accordance with the approved recommendations and shall be maintained thereafter.

Reason: As these matters are fundamental to safeguard the ecology and biodiversity of the area in accordance with Policy 31 of the Horsham District Planning Framework (2015), and to enhance Protected and Priority Species/habitats and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (Priority Habitats & Species).

4 **Pre-Occupation Condition**: Prior to the first use of any part of the development hereby permitted, full details of the parking, turning and access facilities, including details of hard and soft landscaping, shall have been submitted to and approved by the Local Planning Authority in writing. The development shall not be first used until the parking, turning and access facilities, and any associated landscaping, have been fully implemented in accordance with the agreed details. The parking, turning and access facilities and associated landscaping shall thereafter be retained as such.

Reason: To ensure adequate turning and access facilities are available to serve the development, in the interests of visual amenity, to reduce the risk of flooding and pollution and in accordance with Policies 33, 38 and 40 of the Horsham District Planning Framework (2015).

5 **Pre-Occupation Condition**: No part of the development hereby permitted shall be first occupied until full details of all hard and soft landscaping works shall have been submitted to and approved, in writing, by the Local Planning Authority. The details shall include plans and measures addressing the following:

(a) Details of all existing trees and planting to be removed and retained
(b) Details of all proposed trees and planting, including schedules specifying species, planting size, densities and plant numbers and tree pit details
(c) Details of all hard surfacing materials and finishes
(e) Details of all external lighting

The approved landscaping scheme shall be fully implemented in accordance with the approved details within the first planting season following the first occupation of any part of the development. Unless otherwise agreed as part of the approved landscaping, no trees or hedges on the site shall be wilfully damaged or uprooted, felled/removed, topped or lopped without the previous written consent of the Local Planning Authority until 5 years after completion of the development. Any proposed or retained planting, which within a period of 5 years, dies, is removed, or becomes seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

Reason: To ensure a satisfactory development that is sympathetic to the landscape and townscape character and built form of the surroundings, and in the interests of visual amenity in accordance with Policy 33 of the Horsham District Planning Framework (2015).

6 **Regulatory Condition**: The building hereby approved shall solely be used for the purposes of agriculture, as defined at S.336(1) of the Town and Country Planning Act 1990. In the event of the building hereby permitted ceasing to be used for agricultural purposes, the building must be removed from the land and the land must, so far as is practicable, be restored to its condition before the development took place.

Reason: The site lies in an area where, in accordance with Policy 26 of the Horsham District Planning Framework (2015), development which cannot be justified as essential to the needs of agriculture or forestry would not normally be permitted.

7 **Regulatory Condition**: The agricultural building hereby permitted shall not be used to house or keep livestock at any time.

Reason: In the interests of amenity, to enable the Local Planning Authority to regulate and control the development and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

8 **Regulatory Condition**: The materials to be used in the development hereby permitted shall strictly accord with those indicated on the application form and approved plans.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of visual amenity and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

Note to Applicant

Biodiversity Net Gain Condition

Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

(a) a Biodiversity Gain Plan has been submitted to the planning authority, and
(b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission is Horsham District Council.

This permission will require the submission and approval of a Biodiversity Gain Plan before development is begun.

For guidance on the contents of the Biodiversity Gain Plan that must be submitted and agreed by the Council prior to the commencement of the consented development please see the link: Submit a biodiversity gain plan - GOV.UK (www.gov.uk).

Statutory exemptions and transitional arrangements

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-

20240214 of the Planning Practice Guidance, which can be found at https://www.gov.uk/guidance/biodiversity-net-gain.

Irreplaceable habitat
If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

Note to Applicant
Public Right of Way
The applicant is advised that a public access right has precedence over a private access right. Where a PROW runs along or crosses a route also used for private access purposes, usually for private vehicle access, this shared use has the potential for accident or injury - the applicant must consider how access is managed so the public is not endangered or inconvenienced.

Access along a PROW by contractors' vehicles, deliveries or plant is only lawful if the applicant can prove it has a vehicular right; without this an offence under the Road Traffic Act 1988 section 34(1) is being committed.

Safe and convenient public access is to be available at all times across the full width of the PROW, which may be wider than the available and used route - advice on the legal width can be provided by the WSCC PROW Team. If this condition cannot be met during construction works then the path needs to be closed temporarily.

The path is not to be obstructed by vehicles, plant, scaffolding or the temporary storage of materials and / or chemicals during any works. These will constitute an offence of obstruction under the Highways Act 1980.

No new structures, such as gates and stiles, are to be installed within the width of the PROW without the prior consent of the WSCC PROW Team. These will constitute an offence of obstruction under the Highways Act 1980.

It is an offence to damage the surface of a PROW without the prior consent of the WSCC PROW Team. The applicant must supply a specification and secure the approval of the WSCC PROW Team before works affecting the PROW begin, even if the surface is to be improved. Where a PROW surface is damaged and there was no prior consent, the applicant will be liable and required to make good the surface to a standard satisfactory to the WSCC PROW Team.

Where WSCC has a responsibility for the surface of a PROW this only extends to the use permitted as a PROW. Where damage is caused by vehicular traffic, responsibility for maintaining the surface reverts to the Landowner.

Note to Applicant – Community Infrastructure Levy (CIL):
Horsham District Council has adopted a Community Infrastructure Levy (CIL) Charging Schedule which took effect on 1st October 2017. **This development constitutes CIL liable development**.

If you have not received a Liability Notice from the Council within 1 month of the decision date please contact the CIL Team at cil@horsham.gov.uk.

CIL is a mandatory financial charge on development. To avoid additional financial penalties, the requirements of CIL must be managed before development is commenced (including in the event of any successful appeal).

Payment must be made in accordance with the requirements of the CIL Demand Notice issued.

Note to Applicant
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been

served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
