Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	HNP allows for around 10 single storey dwellings for those seeking smaller/downsized accommodation, not the chalet-style/two storey large family homes in the proposals. As a resident living in an unadopted narrow lane I question the access as Daisycroft is similarly narrow, and emergency vehicles would have difficulty in accessing properties further down the road. The

proposed development also contravenes HNP's nature protection criteria as buildings would encroach too near to two oak trees that are subject to TPOs.

Kind regards
