Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity
Comments:	This development lacks infrastructure to support this further increase in horshams population. The roads here are rural and not capable of supporting this development. Pedestrian access into town and to amenities is poor, further making problems of congestion and all associated health and safety risks a concern.

Kind regards
