Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Thank you for taking the time to read this. While I'm not opposed to the development, it is a cherished piece of land that we are losing more and more of. I believe we need to prioritise maintaining our green spaces within new developments more. I also worry about access here - Brighton road is busy on a quiet day, and access from the small roads is already an issue. I

believe before this is ever implemented at least one round about
is needed to slow people down before entering the town anyway.

Kind regards
