Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
Comments:	I'm concerned that this development is using precious green space which will be lost forever on the edge of town . There's no extra amenities being provided and I'm also concerned with effect of drainage water run off on an existing overused system . There will be more pressure on the traffic and noise in BrightonRoad. Do we not have a brownfield site for this development with better amenities?

Kind regards
