Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	Ashington residents have already submitted their NHP for 123 houses. Many hours of work, over several years, were spent on this project and it was commented on by Horsham Planning Dept. as being an excellent example of expansion of a village with community assets. I understand the application by Bellway will consist of more houses and less community assets which is not acceptable.

Kind regards
